FAQ'S

How do I order a cake or cupcakes?

See "How To Order" page.

Do you offer tiered cakes?

Yes, please send us a request thru Menu > Order > Custom Order. Size and details will determine cost.

Do you offer custom designs?

We have a standard design for our cakes and cupcakes. All cakes include orchids at no extra charge. We can customize the buttercream, and add sugar flowers for an additional cost. We do not do fondant cakes.

Can you write on cakes?

We no longer write on cakes, as it would mean omitting the top cake filling. We recommend purchasing a cake topper instead of writing on the cake.

Delivery is an option for an additional fee.

Our schedule will be promoted on our social media page.

Do you ship?

Yes, we ship cake jars thru www.sinfultreats.net/kalani-kakes.
